Subject: May 2023: Skilled & Trained Workforce Report - Letter to Achieve

Azin/Robert,

Sukut Construction (Sukut) is submitting this letter as a supplement to the May 2023 Skilled and Trained Workforce Report. In May, our crews continued on the 12" water mainline installation in Sherman St. We did have a laborer employee who was a graduate of the apprenticeship program, and his man hours onsite were noted in the report. This employee will continue working onsite and will contribute to the graduated skilled workforce.

This month did not see a need to significantly expand our crews. However, as we enter our mainline installation scope, we will be coordinating with the union halls to provide labor that will help us to achieve the skilled worker goals.

Feel free to contact me with any questions.

Regards,

Matt Fleming
