

**CONSTRUCTION NOTICE:**

**Full Intersection Closure at Executive Drive and Towne Centre Drive for Morena Northern Pipelines and Tunnels Project**

Dec. 28, 2022

Beginning Tuesday, Jan. 3, 2023, traffic control will be in place at the Executive Drive and Towne Centre Drive intersection, in order to continue pipeline construction for the Morena Northern Pipelines and Tunnels project in University City. Due to this work, the Executive Drive and Towne Centre Drive intersection will be fully closed and detour signs will be posted.

The westbound lanes on Executive Drive between Towne Centre Drive and Judicial Drive will remain closed to allow for the safe completion of this work but the eastbound lanes are open. Work is expected to occur during the day, Monday through Friday from 7 a.m. to 5 p.m. and Saturdays 9 a.m. to 5 p.m. through Spring 2023, with minimal intermittent overnight work from 7 p.m. to 5 a.m.

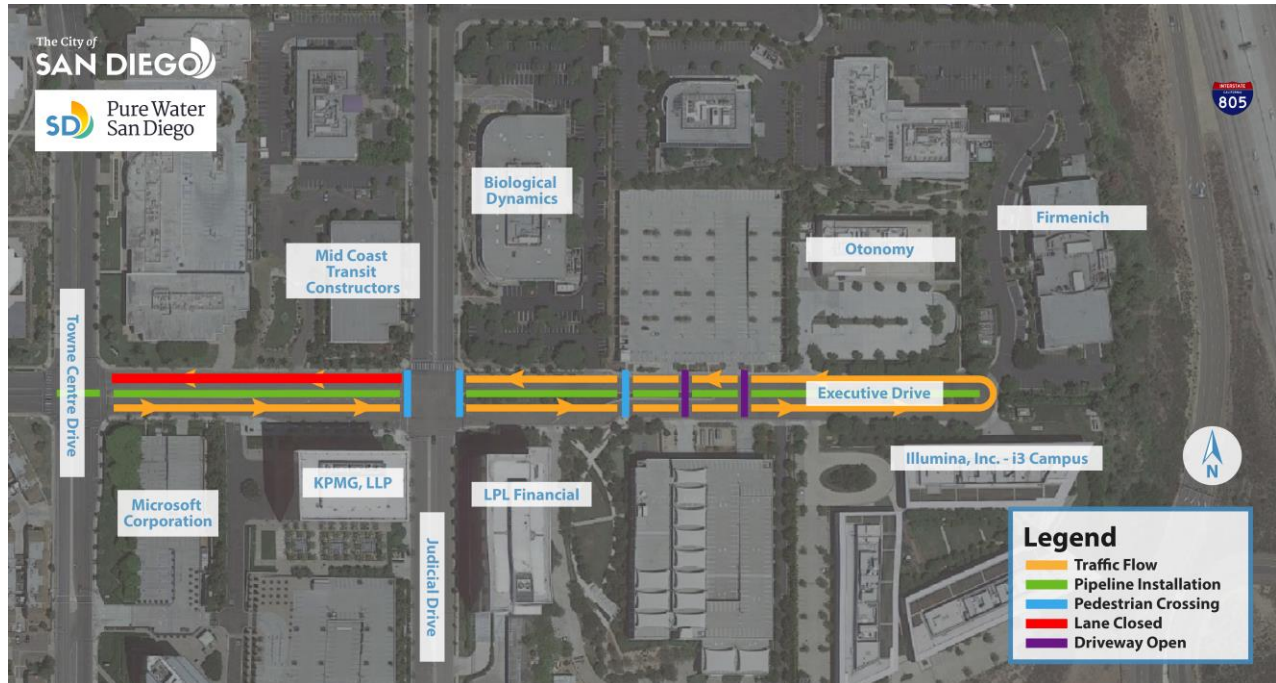

**What to Expect:**

- 24-hour traffic control and pipeline construction at the Executive Drive and Towne Centre Drive intersection; this work will include construction noise.
- 24-hour traffic control on Executive Drive from Judicial Drive to the Executive Drive cul-de-sac for the I-805 tunneling.
- Full closure of the westbound lanes on Executive Drive between Towne Centre Drive and Judicial Drive.
- Pedestrian crossings on the east end of Executive Drive and Towne Centre Drive will be closed.
- Detour signage will be posted; for safety reasons, please follow all posted traffic signage.
- Traffic control is set up to accommodate access and turning radius for emergency vehicles.
- 24/7 access to driveways for businesses and residences as well as the crosswalk on Executive Dr. east of Judicial will be re-established.
- Businesses are being asked to contact [sbowles@sandiego.gov](mailto:sbowles@sandiego.gov) to coordinate any deliveries that involve trucks or large vehicles or access issues.

**Pipeline Installation along Genesee Avenue, Nobel Drive and Towne Centre Drive:** Pipeline work is continuing along Genesee Avenue from Appleton Street to State Route 52. More information will be provided in the coming months for pipeline construction north of SR 52 heading north along Genesee Ave. as well as the rest of the alignment. The pipeline construction schedule is being solidified and ample notice will be given prior to pipeline construction.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on [utc.purewatersd.org](http://utc.purewatersd.org). Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project, and a team member will get back to you within one business day.

## Morena Northern Pipelines and Tunnels Work Zone Map

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.
