

CONSTRUCTION NOTICE:

Pipeline Work Scheduled on Executive Drive and Towne Centre Drive for Morena Northern Pipelines and Tunnels

Aug. 4, 2022

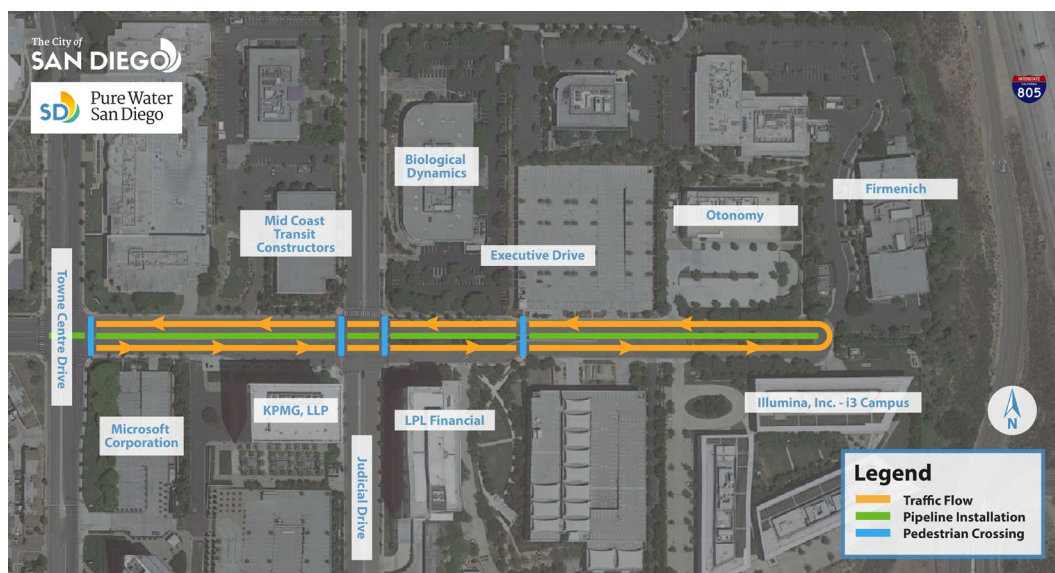

On Saturday, Aug. 6, 2022, pipeline construction will begin for the Morena Northern Pipelines and Tunnels project in University City at the Executive Drive and Towne Centre Drive intersection. To minimize nighttime noise impacts, pipeline installation is expected to occur during the day Monday thru Friday from 7 a.m. to 5 p.m. and Saturdays from 9 a.m. to 6 p.m. and continue through mid-September 2022.

What to Expect:

- 24-hour traffic control and pipeline construction at the Executive Drive and Towne Centre Drive intersection during the day; this work will include construction noise and is expected to be complete by mid-September 2022.
- 24-hour traffic control on Executive Drive from Towne Centre Drive to the Executive Drive cul-de-sac for the I-805 tunneling.
- 24/7 access to driveways for businesses and residences.
- Businesses on Executive Drive are being asked to contact sbowles@sanidiego.gov to coordinate any deliveries that involve trucks or large vehicles or access issues.
- For safety reasons, please follow all posted traffic signage.
- Pedestrian crossings will remain open.
- The intersection is a 4-way stop. Please obey traffic signals.

Pipeline Installation along Genesee Avenue, Nobel Drive and Towne Centre Drive: More information will be provided in the coming months for pipeline construction along the rest of the alignment. The pipeline construction schedule is being solidified and ample notice will be given prior to pipeline construction.

Morena Northern Pipelines and Tunnels Work Zone Map

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on utc.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project, and a team member will get back to you within one business day.
