

**CONSTRUCTION NOTICE: Parking Removal and Lane Reductions on Custer Street
from July 18 to September 2022**

July 15, 2022

Starting on Monday, July 18 through the end of September 2022, Custer Street will be reduced to one lane and parking removals will be in effect from Greenwood Street to Sherman Street as crews install a tunneling pit. This is part of work that will include traffic control in this area through December 2022. Access to Custer Street will be available via Greenwood Street. This work will occur as part of the City of San Diego Morena Pump Station project, part of the Pure Water San Diego Program.

What To Expect: Construction crews will excavate to install a tunneling pit in Custer Street between Custer Street and Friars Road. As a result, ***parking removals and lane reductions will be in place on Custer Street. Construction crews will maintain access to driveways and one lane of traffic will remain open at all times.*** All nearby businesses will remain open and accessible. Please follow all posted signage and crew member directions near the work zone.

When: Parking removals and lane reduction in place on Custer Street from Monday, July 18, 2022 to September 2022. The work is scheduled for Monday to Friday during the daytime hours, from 7 a.m. to 5 p.m. This is part of work that will include traffic control in this area through December 2022.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
