

CONSTRUCTION NOTICE: Extended Westbound Friars Road Closure between Napa Street and Sea World Drive

June 13, 2022

Westbound Friars Road from Napa Street to Sea World Drive will continue to be closed to all vehicle and pedestrian traffic through February 2023 for the City of San Diego Morena Pump Station project, part of the Pure Water Program. The closure has been extended from July 2022 to February 2023. The eastbound lane of Friars Road from Sea World Drive to Napa Street will remain open, along with eastbound and westbound bicycle lanes. **The westbound vehicle lanes from Napa Street to Sea World Drive will remain closed until February 2023.**

What To Expect: During the westbound road closure, construction crews will reconfigure and restripe the traffic lanes, as well as install construction barriers. The posted detours for this road closure are Napa Street, Morena Boulevard, Tecolote Road, and Sea World Drive. Friars Road between Napa Street and Sea World Drive will remain open to eastbound traffic only and two-way bicycle traffic. All nearby businesses will remain open and accessible. Please follow all posted signage and crew member directions near the work zone and expect delays in the area.

When: Friars Road work on the westbound side will be ongoing and the lanes are currently permitted to be closed through February 2023. The ongoing work on Friars Road as part of the Morena Pump Station project is primarily scheduled for Monday to Friday, from 7 a.m. to 4 p.m. Starting in March 2023, eastbound traffic will be detoured and westbound traffic will be permitted.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on [morena.purewatersd.org](https://www.morena.purewatersd.org). Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
