# Morena South and Middle Project Overview

# SD Project Overview

- Connect Morena Pump Station at Sherman and Custer Streets in Bay Park with the Morena Pipelines Northern Alignment in University City
- Install 48-inch wastewater forcemain pipeline and 30-inch brine concentrate pipeline
- Install bike ways along:
  - Genesee Avenue
  - Clairemont Mesa Boulevard
  - Clairemont Drive
  - Morena Boulevard
  - W. Morena Boulevard
- Work Hours
  - Day: 7:30 a.m. to 4:30 p.m.
  - Night: 9 p.m. to 5 a.m.

# SD What You Can Expect

- **Day work: Monday to Friday, 7:30 a.m. to 4:30 p.m.**
- **Night work: Sunday to Thursday, 9 p.m. to 5 a.m.**
- **Access for residents, businesses, and emergency vehicles maintained**
- **Expect delays due to traffic control**
- **Construction equipment and material staging areas will move along the alignment as construction progresses**
- **In addition to regular construction, the community can expect:**
  - *Temporary street parking closures*
  - *No parking available in construction zones*
  - *Impacts such as noise, dust, bright lights, and construction vehicle traffic*

# Project Schedule

- **Trenching and Pipeline Installation**
  - *Currently working near Clairemont Dr. and Blackfoot Ave.*
  - *One lane of traffic in each direction maintained*
  - *Parking restrictions for on-street parking*
  - *Bike lane detour in place*
  - *Bus stops relocated as-needed*
- **Night work to weld pipeline joints**

# SD Current Work - Sherman Street

- Shoring beams have been installed in preparation for pipeline installation
  - *Currently working near Sherman St. and Banks St.*
  - *Traffic control in place at night, removed during the day*
  - *Parking restrictions for on-street parking*
- **Coordination with businesses for customer and employee parking access**

# Future Work - Clairemont Drive

- **Continued Trenching and Pipeline Installation**
  - *Traffic control installation up to Rappahannock Avenue expected next week*
  - *Welding the pipeline and associated work at night*
- **Approaching intersection of Clairemont and Balboa**
  - *Ongoing coordination with numerous schools in the area*
  - *Estimating reaching the intersection of Clairemont and Balboa in January 2024*
- **Base paving of trench as they progress**
  - *Full curb to curb paving will be done in stretches*

# SD Future Work - Sherman Street

- Pipeline installation on Sherman Street working towards Morena Blvd.
  - *Traffic control in place at night, removed during the day*
  - *Parking restrictions for on-street parking*
- Coordination with businesses for customer and employee parking access
