*Completing our Water Cycle, Securing our Future*

## REMINDER

### Morena Conveyance South & Middle and Morena Conveyance Bike Lanes Project

Crews recently established a storage area on city property along Balboa Avenue. This storage area will hold equipment and materials for the project, which will allow the contractor to have their equipment close by and thus work more efficiently.

#### What to Expect:

- The contractor will maintain the property and ensure that their materials remain within the storage area.
- Once the work in the area is completed, the equipment and materials will be removed and relocated to another area.

#### Anticipated Construction Schedule:

Work will take place during the day between 7:30 a.m. and 4:30 p.m. Construction will begin in 2022 and be completed in 2025.

#### About Pure Water San Diego:

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable,
