NIGHT WORK REMINDER

Morena Conveyance South & Middle and Morena Conveyance Bike Lanes Project

Next week, the City of San Diego will begin nighttime utility location work in the roadway as part of the **Morena Conveyance South & Middle and Morena Conveyance Bike Lanes** project.

What to Expect:

- Crews will be working on Sherman St., between Custer St. and Morena Blvd.
- Traffic control will be in place, please follow all traffic control and signage
- Access will be maintained for all businesses, residences and emergency vehicles; in select cases where work must occur near a driveway, crews will accommodate all necessary driveway access
- Please be advised that construction may be loud overnight

Anticipated Construction Schedule:

Work will take place at night between 9 p.m. and 5 a.m. Construction began in 2022 and will be completed in 2025.

About Pure Water San Diego:

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.
