Completing our Water Cycle, Securing our Future

REMINDER

Morena Conveyance South & Middle and Morena Conveyance Bike Lanes Project

In the next five days, the City of San Diego will begin daytime work to locate utility lines on your block as part of the **Morena Conveyance South & Middle and Morena Conveyance Bike Lanes** project.

What to Expect:

- One lane in each direction will be maintained, but please follow all traffic control and signage
- Access will be maintained for all businesses, residences and emergency vehicles; in select cases where work must occur near a driveway, crews will accommodate all necessary driveway access

Anticipated Construction Schedule:

Work will take place during the day between 7:30 a.m. and 4:30 p.m. Construction will begin in 2022 and be completed in 2025.

About Pure Water San Diego:

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.
