

CONSTRUCTION NOTICE:
North City Pure Water Pipeline Construction
Scheduled on Candida Street

Aug. 15, 2023

During the week of Aug. 21, construction of the City of San Diego North City Pure Water Pipeline project is scheduled to begin on Candida Street at Via Pasar.

What to Expect: Construction will include trenching and pipe installation, backfilling and trench restoration, as well as hauling of various materials. Pipeline construction will move westbound on Candida Street toward Kearny Villa Road.

Two-way traffic will be maintained on Candida Street, and access will be maintained for businesses, residents and emergency responders. The project team will work to minimize inconveniences associated with traffic, construction noise and staging of large construction equipment. For the safety of the community and construction crews, traffic control will be in place. Please follow all posted signage and crew member directions.

When: Beginning the week of Aug. 21, construction is scheduled from Monday to Thursday nights, from 7 p.m. to 5 a.m. Each evening, work will begin with traffic control setup, and construction activity later in the evening – around 9 p.m. There is no daytime work scheduled in this area. This pipeline installation is expected to take place through 2023, with construction occurring on one street at a time. The first phase is from Candida Street to Kearny Villa Road. Follow-up notices will be provided when the next phase and tunneling activity is scheduled on the cul-de-sac easement on Via Excelencia.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Please visit scrippsranh.purewatersd.org for more information. Please contact purewatersd@sandiego.gov or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project, and a team member will get back to you within one business day.
