

CONSTRUCTION NOTICE:
North City Pure Water Pipeline Construction
Underway on Kearny Villa Road

Oct. 5, 2023

The next section of construction of the City of San Diego's North City Pure Water Pipeline project has begun on Kearny Villa Road.

What to Expect: Construction will include trenching and pipe installation, backfilling and trench restoration, as well as hauling of various materials. Pipeline construction will move southbound on Kearny Villa Road from Candida Street to Miramar Road.

Two-way traffic will be maintained on Kearny Villa Road, and access will be maintained for businesses, residents and emergency responders. The project team will work to minimize inconveniences associated with traffic, construction noise and staging of large construction equipment. For the safety of the community and construction crews, traffic control will be in place. Please follow all posted signage and crew member directions.

When: Construction is scheduled from Monday to Thursday nights, from 7 p.m. to 5 a.m. Each evening, work will begin with traffic control setup, and construction activity later in the evening – around 9 p.m.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Please visit scrippsbranch.purewatersd.org for more information. Please contact purewatersd@sandiego.gov or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project, and a team member will get back to you within one business day.
