

**CONSTRUCTION NOTICE: Pipeline Construction Scheduled to Begin on
City of San Diego North City Pure Water Pipeline on Meanley Drive**

June 16, 2022

On Monday, June 20, pipeline construction is scheduled to begin on the City of San Diego North City Pure Water Pipeline project on Meanley Drive from the cul-de-sac to Hoyt Park Drive.

What To Expect: Construction will include trenching, pipe installation, soil backfilling and offhauling, and road restoration. **In June, crews will begin pipeline construction on Meanley Drive.** Pipeline construction will move southwest on Meanley Drive from the cul-de-sac to Hoyt Park Drive. Construction will begin in other areas later in 2022 based on availability of construction material.

Access will be maintained for businesses, residents and emergency responders. The project team will work to minimize inconveniences associated with traffic, construction noise and large construction equipment. For the safety of the community and construction crews, traffic control will be in place. Please follow all posted signage and crew member directions.

When: **Construction is scheduled from Monday to Thursday nights, from 7 p.m. to 5 a.m. There is no daytime work scheduled in this area.**

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego. The pipeline will start on Eastgate Mall and follow Miramar Road to Kearny Villa Road and continue along Candida Street to Via Pasar and Via Excelencia. From there, the pipeline will tunnel under Interstate 15. On the east side of Interstate 15, it will continue along Businesspark Avenue to Carroll Canyon Road and follow Hoyt Park Drive to Meanley Drive before crossing Scripps Lake Drive to the Miramar Reservoir.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the project alignment will receive printed notices before work begins near their address, and construction notices will be regularly posted on scrippsrancho.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project, and a team member will get back to you within one business day.
