

**CONSTRUCTION NOTICE:**  
**Nighttime Road Closure on Scripps Ranch Boulevard between  
Carroll Canyon Road and Hoyt Park Drive**

Oct. 7, 2022

Beginning the week of Oct. 10, pipeline construction will continue on the City of San Diego North City Pure Water Pipeline project at Carroll Canyon Road and Scripps Ranch Boulevard moving northbound toward Hoyt Park Drive. During construction in this area, all thru traffic will be detoured around the work zone.

**What To Expect:** Construction will include trenching, pipe installation, soil backfilling and offhauling, and trench restoration. A full road closure will be in place on Scripps Ranch Boulevard between Carroll Canyon Road and Hoyt Park Drive, and all thru traffic will be detoured around the work zone. Access to local businesses will be maintained.

Southbound traffic on Scripps Ranch Boulevard will be detoured via Scripps Lake Drive, Red Cedar Drive, Aviary Drive and Scripps Ranch Boulevard.

Northbound traffic on Carroll Canyon Road will be detoured via Scripps Ranch Boulevard, Aviary Drive, Red Cedar Drive and Scripps Lake Drive.

The project team will work to minimize inconveniences associated with traffic, construction noise and large construction equipment. For the safety of the community and construction crews, traffic control will be in place. Please follow all posted signage and crew member directions.

**When:** Construction is scheduled from Monday to Thursday nights, from 7 p.m. to 5 a.m. Each evening, work will begin with traffic control setup, and construction activity later in the evening – around 9 p.m. There is no daytime work scheduled in this area.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego. The pipeline will start on Eastgate Mall and follow Miramar Road to Kearny Villa Road and continue along Candida Street to Via Pasar and Via

Excelencia. From there, the pipeline will tunnel under Interstate 15. On the east side of Interstate 15, it will continue along Businesspark Avenue to Carroll Canyon Road and follow Hoyt Park Drive to Meanley Drive before crossing Scripps Lake Drive to the Miramar Reservoir.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the project alignment will receive printed notices before work begins near their address, and construction notices will be regularly posted on [scrippsrancho.purewatersd.org](http://scrippsrancho.purewatersd.org). Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project, and a team member will get back to you within one business day.
