Each residential unit within the Block Party Venue must be surveyed. The survey must be signed by an individual who is 18 years or older. Should a building with multiple units be managed by a building owner/manager, they may sign on behalf of tenants if access is denied by the owner/manager and copies of the form sufficient for each address are provided to the owner/manager by the Applicant. The building owner/manager, however, must notify all tenants and know of no substantial objection to the proposed impact and associated activities at the time of signature. The Applicant is responsible for resolving all community and operational issues associated with the Block Party.
