*Mayor Opposes Plan That Will Increase Costs, Put Up Roadblocks to Opportunities*

San Diego, CA – Today Mayor Kevin L. Faulconer released the following statement on an ordinance that would significantly increase costs for San Diego's small businesses.

**“As Mayor, my job is to cultivate an atmosphere that creates economic opportunities and good-paying jobs for all San Diegans,”** Faulconer said. **“This ordinance puts our job growth in jeopardy and will lead to higher prices and layoffs for San Diego families. I will veto this ordinance because we should be looking for ways to create more jobs, not putting up roadblocks to opportunities.”**
