## **Mayor Faulconer's Statement on Stadium Advisory Group's Decision for Location of New Stadium**

San Diego, CA – Today Mayor Kevin L. Faulconer released the following statement on the decision by the Citizens' Stadium Advisory Group to select Mission Valley as the preferred site for a new stadium for the Chargers:

**“I want to thank the volunteers on the Citizens' Stadium Advisory Group for moving quickly to recommend the best location for a new Chargers stadium. The Mission Valley site has been home to the Chargers for nearly 50 years and I know we can make it work for decades to come. Now that they've recommended a site, I look forward to the group continuing to move expeditiously on developing a fair and responsible financing plan for a new stadium.”**
