Investigation of San Diego Sheriff's Department Deputy-Involved Shooting

Vista – On Sunday, May 7, 2023, at approximately 12:30 p.m., patrol deputies from the San Diego Sheriff's Department were dispatched to the church located at 1418 Calle Jules, Vista. A male was reportedly at the location holding a handgun to his head. Upon the deputies' arrival, they learned other members of the church were still inside the building with the male. As they attempted to gather additional information, they observed the male exiting the church with a firearm in his right hand. They immediately began giving the male commands to drop the firearm, but the male ignored their commands and walked into the parking lot and toward the deputies. The deputies backed up and continued to give the male verbal commands, but unfortunately the male ignored their commands and continued advancing into the parking lot. One deputy fired a single shot from his department-issued rifle, striking the male in the legs, and causing the male to drop the handgun. Paramedics were requested and the deputies immediately rendered first aid to the male, applying a tourniquet to each of his legs. The male was transported to a local hospital, and his injuries are not considered life-threatening.

The suspect in this case has been identified. He is described as a 77-year-old Asian male. The identity of the suspect is not being released at this time.

The deputy involved in the shooting has been employed by San Diego Sheriff's Department for approximately three years. He is currently assigned as a patrol deputy from the Vista Substation. No deputies were injured during this incident.

Per the Countywide Memorandum of Understanding, the San Diego Police Homicide Unit was called to the scene to conduct the deputy-involved shooting investigation. Detectives are currently gathering evidence, interviewing witnesses, and examining the circumstances surrounding the shooting.

The investigation and review process for deputy-involved shootings are extremely thorough. When the Homicide Unit completes its investigation, it will be reviewed by the San Diego County District Attorney's Office to determine if the officers bear any criminal liability for their actions. The San Diego Sheriff's Department will conduct an administrative investigation into the deputy's

discharge of his firearm. The Federal Bureau of Investigations and the United States Attorney's Office will also be monitoring the investigation.

Anyone with information regarding this incident is asked to call the SDPD Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
