San Diego Police Need the Public's Help Identifying Prowler

San Diego – San Diego Police investigators are working to identify a prowler in the College Area and are seeking the public's help. During the day of April 27th, a man followed a woman into her backyard on Mary Lane.

The woman went into her home and locked the door. The man stayed in the backyard for about 15 minutes.

During that time, he peered through windows and even attempted to open several doors to the home before leaving. The woman and several roommates were inside the home during the incident.

Photos of the suspect were captured.

Anyone with information regarding this incident is asked to call the San Diego Police or Crime Stoppers at (888) 580-8477.
