Putting Neighborhoods First and Getting Things Done!
Public Safety Priority | Encanto Rapid Response Team Rollout
Wednesday, July 2nd at 12:30 p.m. | 6125 Imperial Avenue

I am thrilled to announce more good news for our District. We are rolling out the pilot program for the Encanto Rapid Response Team - the first of its kind. This team will respond to emergencies and reduce the wait time for assistance. If you're having an emergency, you don't want to wait unnecessarily for the aid of our first responders.

The FY '15 budget is **responsive** to the priorities that I have laid out—Public Safety, Police and Fire recruitment and retention, and investment in our neighborhoods and communities that historically have been underserved.

As **Vice Chair of the Public Safety and Livable Neighborhoods Committee**, I know that we have work to do to ensure that our neighborhoods are safe and livable. I am proud of this first step to improving our emergency response times in the Fourth Council District. Every community deserves to have the basic necessities to help people thrive. I will continue my fight to strengthen our neighborhoods.

NEWS YOU CAN USE

- **Clean and Safe Place** | Each year the City of San Diego's Environmental Services Department conducts special community cleanup events in neighborhoods throughout the City. Areas are selected for these events based upon citizen requests, pledges of community involvement and previous citizen participation levels. On June 18th and June 21st, we conducted **community cleanups** in the Skyline Hills and Broadway Heights Communities, respectively. **These successful cleanups removed over 38 tons of waste from our neighborhoods**. Kudos to Mrs. Irene Kinchen of the Skyline Hills Community and Mr. Robert Robinson of the Broadway Heights Community!

- **Thank you Councilmember Cole**
  "Through collaboration with NASA, the Fleet will be setting up a live link to the International Space Station and inviting a limited number of students to come and have a live conversation with Astronauts orbiting the Earth. It's basically a Skype to outer space. Thanks to some of your suggestions and some contacts from the BAPAC event, we have a number of students from the Elementary Science Institute and the Broadway Heights Community Council coming to event to ask their questions live and in real-time. I've attached the media announcement of the event. It's closed to the public. Thank you Councilmember Cole for the connections!" – Dr. Steve Snyder

Prioridades en Seguridad Publica | Cuerpo de Rescate y Emergencias de Encanto
Miércoles, 2 de Julio a las 12:30 p.m. | 6125 Imperial Avenue

Quiero dar a conocer una excelente noticia para nuestro Distrito. Estaremos iniciando un programa piloto para el cuerpo de rescate y emergencias de Encanto. Este cuerpo de rescate y emergencia trabajará para atender las emergencias en nuestro Distrito y reducir los tiempos de espera. Ante situaciones de emergencia, es injusto e innecesario esperar la ayuda de nuestros rescatistas.

El presupuesto fiscal 2015 **incorpora mis prioridades** – Seguridad Publica, reclutamiento y retención de policías y bomberos e inversión en las comunidades históricamente descuidadas.

Como Vice **presidenta del Comité de Seguridad Publica y Comunidades Habitables**, se que tenemos que seguir trabajando para asegurar que nuestras comunidades sean habitables y seguras. Me enorgullece saber que nuestro Distrito contará con un equipo responsable de brindar ayuda a quien la necesite. Este es un derecho básico de nuestra comunidad y toda comunidad debería de contar con él. Continuaré luchando para fortalecer y brindar nuevas oportunidades a nuestras comunidades.
