District 1 Public Safety Advisory Board

Thank you to SDPD Officers Gapusen and Marchnak from the K-9 Unit, Community Relations Officer Philips, and Lt. Phillips for presenting at our June 17th Public Safety Advisory Board in Carmel Valley. It was great to learn more about the K-9 heroes who help prevent officer-involved shootings by rapidly subduing dangerous perpetrators. I was impressed by the level of training and expertise that goes into developing these highly-skilled police dogs. Thanks to Pico and his pack for keeping our community safe! If you are interested in joining the District 1 Advisory Boards: Public Safety, Seniors, or Small Business, please contact our office at barbarabry@sanidiego.gov; 619-236-6611.

Breaking Ground at the Pacific Highlands Ranch Community Park

On June 23rd, I attended the groundbreaking for the new Pacific Highlands Ranch Community Park, and I am grateful for this fun new addition to the neighborhood. Pacific Highlands Ranch is one of the most exciting growing communities in San Diego—more than 1,600 homes with 20 percent of them affordable, five schools, a fire station, a major shopping center, now a park and soon a library. Thanks to Park and Rec staff, Pardee Homes, and the community residents who worked together on this innovative park design.

Del Mar Heights District 1 Residents, Avoid Extra Fees at the DMV

If you live in the Del Mar Heights area, but are a resident of the City of San Diego, you may have paid an extra 1% to the DMV when transferring the ownership of your vehicle. The City of Del Mar assesses a 1% fee on transfers of ownership in addition to the county and state fees the City of San Diego requires. To avoid the additional 1% fee, San Diego City residents living within the Del Mar Heights area should use the address “*San Diego, CA 92014*” instead of “*Del Mar, CA 92014*” when submitting your transfer of ownership form. The DMV can provide a form if you are a San Diego resident and would like to seek a refund for this 1% fee. Please note that the DMV cannot issue a refund if the fee was paid more than three years ago. Please contact Justine Murray at jrmurray@sanidiego.gov for assistance with the refund process.

National Night Out in University City

Fostering a cooperative relationship between law enforcement and the community is essential to maintaining safe neighborhoods. Please join community residents and law enforcement officers for the National Night Out Dance Marathon to benefit the San Diego Police Foundation. The event will be held at Standley Park on August 1st from 5:30 PM to 7:30 PM and is open to all ages. We hope to see you on the dance floor! **More info & RSVP at:** www.sandiegoneighborhoodwatch.com.

Are you interested in a intern or mentee in tech?

In collaboration with the City of San Diego, the San Diego Workforce Partnership (SDWP) is looking for employers interested in hosting a free intern, mentoring a job seeker, or bringing a job shadow to work.

Through the **TechHire** initiative -- a nationwide movement that aims to level the playing field for tech jobs -- SDWP will match TechHire participants from the following Information and Communication Technologies (ICT) fields with employers:

- Computer programming (e.g., coding, software development)
- Network and support (e.g., IT systems, network administration, cyber security)
- Multimedia and design (e.g., web design, graphic design, digital marketing)
- Analytics (e.g., data analysis, business intelligence, database administration)

Interested companies may contact business@workforce.org for more information.

Brush Cleanup Along Fay Ave. Bike Path

Our office recently assisted the Kiwanis Club chapter of La Jolla in obtaining a City permit to carry out brush management along the Fay Avenue Bike Path.

Over the weekend of June 2nd, dozens of Kiwanis Club members and community residents helped remove weeds from the bike path. An estimated 40 55-gallon trash bags of dry grasses and 8 truckloads of brush were removed.

Thank you to the volunteers for your efforts to reduce the risk of fire as we approach the dry season. Thank you also to City staff for ensuring the safe and rapid disposal of the brush.

District 1 Intern Update

By Justine Murray

I am a junior at UCSD, studying European history, with a minor in political science. I have wanted to work in the political sphere since middle school, and I am so glad District 1 has allowed me to join the office and learn the inter-workings of City Hall and local politics. I knew of Barbara from

her campaign, and I really believe in what she advocates for as a councilmember. My favorite part about being an intern by far is constituent service. I love that we have the ability to help residents in such a hands-on way, and I feel like we're actually making a difference in the community. I truly look forward to coming to the office every day. Everyone is incredibly welcoming, and I'm extremely lucky to work for a group of people who allow me to participate in more than just normal "intern duties" and gain real government experience. I can't imagine a better opportunity!

City Wheelchair Program Helps Riders Enjoy the Sand

With the summer beach season in full swing, thousands of visitors and residents will flock to San Diego's world famous beaches. With an array of options available to have fun in the sun, the City of San Diego takes proactive steps to ensure that as many people can enjoy the sand and the water as possible. The City's free Beach Wheelchair Program is one such program that gives those with mobility impairments the opportunity to explore the sand and get closer to the water than they ever could before. For more information about this program, call Therapeutic Recreation Services, a division of the Park and Recreation Department: (619) 525-8247.

Pedestrian Safety Improvements on La Jolla Mesa Drive

In the coming weeks, a new section of the sidewalk on the south side of La Jolla Mesa Drive will be installed to improve pedestrian safety in La Jolla. This new sidewalk will provide a safe path to walk along La Jolla Mesa Drive. I want to thank City staff and the Transportation and Storm Water Department for prioritizing this project to enhance pedestrian safety in our community.

Council District 1 Community Event

UTC Community Coffee with Councilmember Bry

Saturday, July 29th from 11:30 AM —12:30 PM

Home of Rita Lim-Wilby

Address provided upon RSVP: barbarabry@san-diego.gov

San Diego Employer Forum

Hiring the formerly incarcerated

Hosted by The California Prison Industry Authority (CALPIA)

Friday, September 1, 2017

9:30 AM—11:00 AM (registration—9:00 AM)

Jacobs Center

404 Euclid Avenue, San Diego, CA 92114
