Council President Comments on Mayor's Proposed Budget *City Council to Ensure Compliance with Adopted Budgetary Principles*

SAN DIEGO, CA (April 15, 2013) – Council President Todd Gloria's office today distributed the following statement about the Mayor's Proposed Budget, which was released earlier today.

“Council President Gloria was briefed at noon today on the Mayor's draft budget proposal. He looks forward to the Council's thorough review of the document with the assistance of the Independent Budget Analyst and with input from our neighborhoods.

“The Council will do its job of making sure the adopted budget is balanced in a manner that is fiscally responsible and follows the Statement of Budgetary Principles which has allowed the City's finances to improve.

“Council President Gloria does find the proposed reduction to the City Attorney's budget curious and unlikely to be implemented as proposed given the Council's preference to limit the use of outside counsel.”
