### **Council President: Bob Filner Just Doesn't Get It** *Mayor's Response to Recall Lacking Connection to Reality*

*SAN DIEGO, CA (August 13, 2013)* – Council President Todd Gloria today released the following statement after reading Bob Filner's response to the recall effort.

"Bob Filner's response to the recall effort shows that he just doesn't get it. He does not address the serious claims against him and instead provides a laundry list of proposals that cannot be accomplished because he refuses to resign. A progressive agenda that puts neighborhoods first is worthy of pursuit. I agree that now is not the time for San Diego to go backwards. The truth is, the only way we can move forward is for Bob Filner to resign."
