### **Councilmember Gloria Comments on Task Force's Stadium Site Preference**

#### *Budget Chair Looks Forward to Financial Details*

SAN DIEGO, CA (March 11, 2015) – Councilmember Todd Gloria today issued a statement following the announcement that the Citizens' Stadium Advisory Group selected Mission Valley as its preferred site to build a new stadium for the San Diego Chargers.

**"As the Councilmember for East Village I believe that investing in my Council District is always a smart move. However, in this situation, I can support keeping the stadium in Mission Valley if that's what it will take to keep the Chargers in San Diego,"** said Councilmember Gloria. **"It's important to remember that a preferred site is not a finance plan. Taxpayers, Chargers fans and the City Council eagerly await the Mayor's Task Force's recommendation on how to pay for the stadium they're proposing to build in Mission Valley."**
