

Morena, Bay Park, and Clairemont

Morena Conveyance South & Middle and Conveyance Bike Lanes Construction Alert

January 19, 2023

To learn more about projects in the Morena/Bay Park/Clairemont neighborhood, visit morena.purewatersd.org, call the project hotline at **833-MOR-PWSD (833-667-7973)** or email purewatersd@sandiego.gov.

*Para informes en español, por favor comuníquese al **833-MOR-PWSD (833-667-7973)**.*

Night Work for Underground Utility Location Beginning on Clairemont Dr. and Sherman St.

Starting on Sunday, Jan. 22, crews will begin working at night to locate utilities under the street. Traffic control will be in place to provide crews with a safe space to work. Crews will be removing traffic control elements each morning after the night shift ends, so the roadway will be open during the day. Businesses and residents will have access to their driveways if they're located within the work zone during night work hours. Please follow the posted signage in the area for your safety.

Crews will be working at the following locations:

- On Sherman St. between Custer St. and Morena Blvd.
- At the intersection of Clairemont Dr. and Clairemont Mesa Blvd.
- At the intersection of Clairemont Dr. and Balboa Ave.
- At the intersection of Clairemont Dr. and Iroquois Ave.

Nighttime working hours are from **9:00 p.m. to 5:00 a.m.** Typical noise associated with construction is to be expected.

Construction notices are posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and/or the Morena Conveyance South & Middle and Conveyance Bike Lanes project, and a team member will get back to you within one business day.

Visit the project website for more information

**Safety of the construction crews and community is our top priority.
Please slow down near work sites and follow pedestrian instructions.**

About Pure Water San Diego

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. Pure Water San Diego will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Phase 1 includes several projects that will clean recycled water to produce 30 million gallons per day (mgd) of high-quality purified water, reducing the City of San Diego's dependence on imported water.
