

CONSTRUCTION NOTICE: Extended Working Hours (Monday to Saturday) at the Morena Pump Station site during November and December 2021

Nov. 5, 2021

Construction is underway on the City of San Diego's new **Morena Pump Station**, one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego. When complete, Pure Water will provide nearly half of San Diego's water supply locally by 2035 through purifying recycled water to produce safe, high-quality drinking water.

To meet the schedule, **work hours at the pump station site (corner of Custer and Sherman streets) will be extended to 6 a.m. to 5 p.m., Monday to Saturday from November to mid-December 2021.** No work will take place on Nov. 25-27 in observance of Thanksgiving. The extension of work hours only applies to the on-site work; the work on Friars Road is still scheduled for 7 a.m. to 4 p.m., Monday to Friday.

What To Expect: Construction at the Morena Pump Station site at Sherman and Custer will continue to take place during the day, but with extended hours during the next six weeks. All nearby businesses will remain open and accessible. Please follow all posted signage and crew member directions near the work zone.

When: Work at the Morena Pump Station site will be extended to 6 a.m. to 5 p.m. from Monday through Saturday from November to mid-December 2021. Regular Monday to Friday working hours are expected to resume in mid-December.
