Statement by City Attorney Mara W. Elliott on Supreme Court Victories

The City of San Diego stood with LGBTQ workers and Dreamers early on in legal fight

“It is a proud moment for our country and a proud moment for our city.

“This week, the U.S. Supreme Court issued landmark decisions that uphold the legal rights of LGBTQ workers and protect 800,000 recipients of Deferred Action for Childhood Arrivals from deportation.

“By joining amicus briefs early on in these legal battles, our City made its position clear: **San Diego stands with LGBTQ workers and Dreamers.**

“At a time when those at the highest level of government are working to weaken our democracy, we are reminded that our constitution holds true and the judicial branch of government provides an essential check on power.”
