

**OUTDOOR BUSINESS GRANT
LANDLORD / PROPERTY OWNER
APPROVAL OF TENANT PARTICIPATION**

The City of San Diego's Outdoor Business Grant (OBG) supports businesses that are working to create outdoor dining spaces that contribute to the enjoyment of the public environment, and are following the Spaces As Places program to allow outdoor dining in the public right-of-way.

It is recommended that landlords / property owners review the [Spaces As Places](#) webpage for more information about what is allowed in the public right-of-way. Even if a commercial tenant is undertaking all the expenses associated with outdoor business operations, the property owner still has responsibilities associated with Spaces As Places defined projects.

The following business has applied for OBG funds and intends to construct a sidewalk café, streetary, or active sidewalk in the public right-of-way at the property:

Tenant Business Name: _____

Property Address: _____

I certify that I am the legal owner of the property described above.

Landlord Name: _____

Landlord Signature: _____ Date: ____/____/____
