### What is the purpose of the meeting?

Spurlock Landscape Architects and the City of San Diego will review the results of General Development Plan (GDP) Community meetings. Show the preferred GDP for this roughly 3.9 acre Neighborhood Park; review the site, scope, goals. Review input from community meetings, development of the preferred design for the new Park. Amenities include multi-purpose fields, multi-purpose courts, picnic facilities, play structures, walkways, security lighting, landscaping, and a comfort station. Members of the public are invited to participate in the discussion.

### Where is the project located?

Site is East of Parson’s Landing and North of Westport View Dr., Ocean View Hills Neighborhood, Otay Mesa Community Planning Area, Council District 8.

### What is being proposed?

This project provides for the conceptual design for the park site. The General Development Plan will guide future development of features on the park site.
