

**CONSTRUCTION NOTICE: Overnight Full Road Closure at Friars Road between Napa Street and Sea World Drive from November 1 to November 5**

Oct. 29, 2021

The City of San Diego Morena Pump Station project, part of the Pure Water Program, includes construction on Friars Road between Napa Street and Sea World Drive, where crews are building overflow sewers, diversion structures and a junction structure. The work associated with this project is underway and generally takes place during the day, from 7 a.m. to 4 p.m., Monday to Friday.

**During the week of Nov. 1, 2021, the section of Friars Road between Napa Street and Sea World Drive will be fully closed in the evening and overnight, from 9 p.m. to 5 a.m. on Monday, Nov. 1 to Friday, Nov. 5**, so the construction team can safely complete some utility investigations. The road will remain accessible for emergency responders.

The westbound traffic lane is currently permitted to be closed until July 2022, but **the eastbound traffic lane and two-way bicycle lanes will reopen each day between 5 a.m. and 9 p.m.** The full closure on this section of Friars Road will take place on the following days at the following times:

- Monday, Nov. 1 at 9 p.m. to Tuesday, Nov. 2 at 5 a.m.
- Tuesday, Nov. 2 at 9 p.m. to Wednesday, Nov. 3 at 5 a.m.
- Wednesday, Nov. 3 at 9 p.m. to Thursday, Nov. 4 at 5 a.m.
- Thursday, Nov. 4 at 9 p.m. to Friday, Nov. 5 at 5 a.m.

**What To Expect:** During the overnight full road closure, construction crews will be verifying underground utilities. The posted detours for this road closure are Napa Street, Morena Boulevard, Tecolote Road, and Sea World Drive. During the day, Friars Road between Napa Street and Sea World Drive will reopen to eastbound traffic only and for two-way bicycle traffic. All nearby businesses will remain open and accessible. Please follow all posted signage and crew member directions near the work zone.

**When:** Friars Road between Napa Street and Sea World Drive will be fully closed overnight from 9 p.m. to 5 a.m. on Monday, Nov. 1 to Friday, Nov. 5.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.
