HISTORY AND NOTES

Include any history or notes you have about this tree or these trees

Tree in front of 4611 Saratoga Avenue (south side) that was originally planted as part of a grove around 1920 by Mr. Cobb, as detailed in the accompanying interview with his daughter Maryolive Shoupe. The tree is the largest of those remaining on Saratoga Ave. with a girth at dbh of ca. 7', and an approximate height of 80 feet. Please refer to attached cover letter for additional information.

For the above tree(s) to be considered for designation as protected, this request has been forwarded to Street Division. The tree(s) will be inspected by the Street Division Urban Forester to make sure all designation criteria are met. If they meet all criteria, the request will be forwarded to the Community Forest Advisory Board (CFAB) for evaluation and possibly protected status.

Requested Action: Street Division requests that a Community Forest Advisory Board Arborist evaluate the nominated tree for confirmation. If the nomination is approved by CFAB, the tree will be added to the City of San Diego's Tree Protection Status as described in the Tree Protection Policy adopted by City Council in May, 2005.
