

Old Logan Heights Library Building

The City of San Diego invites you to attend an upcoming community meeting to review concepts and provide input for the future use and restoration plans of the Old Logan Heights Library building.

Wednesday, Dec. 7 at 5 p.m.

**San Diego High School Library (located in room 350 on the 2nd floor)
1405 Park Boulevard, San Diego, CA 92101**

**For more info or to see a map of the San Diego High School campus,
visit sandiego.gov/OldLoganHeightsLibrary**

The Old Logan Heights Library building was built in 1927 and was used as a branch library until 2009 when the new Logan Heights Library opened nearby. The old building located at 811 S. 28th Street is approximately 2,960 square feet. The future use of the old building is still
