**NUMBER:** OR 19-05

**SUBJECT:** REFLECTIVE TRAFFIC VESTS

**COST CENTER:** 1914131211

**SCOPE:** ALL MEMBERS OF THE DEPARTMENT

**DEPARTMENT PROCEDURE AFFECTED:** N/A

---

The Federal Highway Administration and the Department of Transportation under Title 23 of the Code of Federal Regulations, sections 634.3 and 634.4 mandates all workers, including police officers, who are within the right-of-way of a Federal aided highway and who are exposed to vehicles using the highway to maintain a traffic post shall wear high-visibility safety apparel.

All sworn Department members in a uniformed patrol-based position shall have a reflective vest and wear it as required per the Federal Highway Administration. Operational Support has received a shipment of reflective vests. Those officers in a uniformed patrol-based position, who do not have one or have not been issued a reflective vest, should contact Operational Support to have one issued to them.

If you have any questions, please contact the Operational Support Unit at (619) 531-2113.
