**NOTICE – OTAY MESA PLANNING GROUP ELECTION – NOTICE**

**ELECTION POSTPONED**

The Otay Mesa Planning Group is eligible to conduct an election of one board member at its March 2021 regular meeting and as required by the By-laws. Still, after careful consideration and limitations imposed by the Governor's Emergency Order as a response to the COVID pandemic, the March 2021 election will be postponed.

While the City of San Diego offered the options of conducting the election either by mail-in ballot or electronic ballot, the planning group had a concern that given the continuing circumstances of the pandemic, full participation of the community of Otay Mesa could be compromised and therefore unfair to those running for a seat on the board.

The election remains in place and will consider an alternate date for the election once the Governor's Emergency Order is lifted, and it is determined that a safe and fair election can be conducted in Otay Mesa.

Anyone who is a member in good standing of the community of Otay Mesa may run for an open seat on the Board. The planning group currently has a Business Owner/Representative seat available.

If you would like to be a candidate and are a member of the Planning Group, please send an email stating your interest, and you will be added to the ballot. Send your request to [rob.hixson@cbre.com](mailto:rob.hixson@cbre.com)

Please let me know if you have any questions or comments.

Thank you,
