

PACIFIC BEACH WOMEN'S SWIMMING CLUB  
PACIFIC BEACH, CALIFORNIA

October 11, 1940

Miss Florence Chambers,  
Mission Beach, California

Dear Miss Chambers:

You know our organization is greatly concerned over the recent closing of the Mission Beach Plunge. It has been necessary for us to use the Ocean Beach plunge for our classes on Friday, and that is far from satisfactory, both because of distance and because of the pool itself. Many of our members will not attend the classes until better accommodations are provided. We do not want to lose our members and perhaps have the club break up, when we had been getting a long so famously in the Mission Beach Plunge.

We have forty-eight members, as you know. Ours is, we believe, the largest women's swimming club, except your own, in the San Diego district. Every one of these forty-eight members pledges every possible assistance to you and the others who are working to have the Plunge re-opened. We promise to use the plunge regularly and to encourage increased enrollment in our own group. Anything at all that we can do to help, we are more than eager to do. We ask you to use this letter, or call upon us for any other assistance you may need.

Very sincerely yours,
