failed

Total votes cast in election - 1701

In addition to the directions which the general law of the state requires to be printed on the ballot, it shall also contain the following directions to the voter:

"If you desire to vote for any proposition contained herein, stamp a cross (X) in the voting square at the right of and opposite the word 'Yes' which is in the square at the right of such proposition. If you desire to vote against any proposition, stamp a cross (X) at the right of and opposite the word 'No' which is in the square at the right of such proposition."

Section 5. Electors voting at said election shall indicate their choice on any proposition by stamping a cross (X) in the voting square at the right of the word "Yes" or the word "No", which is immediately at the right of such proposition. If an elector shall have stamped a cross (X) in the voting square after the printed word "Yes", his vote shall be counted in favor of the proposition immediately at the left of said word, and if an elector shall have stamped a cross (X) in the voting square after the printed word "No", his vote shall be counted against the proposition immediately at the left of said word.

Section 6. For the purposes of said election the City of San Diego is hereby disected and subdivided into twenty-two election precincts, numbered consecutively from one to twenty-two, inclusive, the exterior boundaries, the voting places, and the officers of election, of each precinct shall be as follows:

Election Precinct Number One: The boundaries thereof are identi-
