1. General Development Plan for Boone Elementary Joint Use Facility  
Presenter: Shannon Scoggins, Parks and Recreation
  - Shannon presented the General Development Plan for the Boone Elementary Joint Use Park. She discussed the plans for landscaping and listened to the concerns of the community.
  - The community expressed concerns about noise, trash, and criminal activity as possibilities when the park is open.
  - The planning committee let the advisory board know that they would be taking these concerns into consideration. They will be back in a few weeks
2. Ronald E. Lacey - Pure Water Presentation
  - San Diego will be starting the process to clean and filter recycled water; this will be called “pure water.”
  - “Pure water” is 99.9% germ free and will save us money from buying water from other places.
  - Areas in north San Diego County have already begun using “pure water.”
  - Since it is such a long process to clean, “pure water” should be coming to San Diego by 2035.
