Budget Development Process

The City of San Diego’s operating budget is created in conjunction with the Mayor, City Council, City departments and public input. The budget process considers the fiscal and policy goals for the upcoming fiscal year, while following a timeline for budget publication codified within the City of San Diego’s Charter. This section provides an overview of the annual workflow and the specific processes that contribute to producing the City’s budget for Fiscal Year 2023. The chart below summarizes the process, and more detailed descriptions of key points are listed on the following pages.
Budget Development Process

The Budget Development Process consists of three main phases: Budget Development, Budget Review, and Budget Adoption.

**Budget Development**

**November 2021: Fiscal Planning**
The Five-Year Financial Outlook for Fiscal Years 2023 through 2027 was released in November 2021 and served as the framework for the development of the Fiscal Year 2023 Proposed Budget by incorporating a variety of economic assumptions, and priority initiative expenditure requirements into the budget document.

**November - December 2021: Citywide Budget Development Training**
Budget development training on the budgeting system and the current budget development process was provided to all City departments. At these trainings, guidance and expectations were provided to department representatives for developing budget requests within the goals and priorities established for the Fiscal Year 2023 Proposed Budget.

**December 2021 - January 2022: Budget Submission**
Departments developed and submitted proposed budget requests for the coming fiscal year. Department of Finance staff analyzed budget submissions and prepared a summary of changes and adjustment recommendations for discussion at the Executive Budget Reviews (EBRs).

**February 2022: Budget Meetings**
The EBRs took place throughout the month of February. In these meetings, Department Directors and department support staff met with the Chief Operating Officer, Chief Financial Officer, Deputy Chief Operating Officers, and the Department of Finance Director to discuss strategic priorities. City Management reviewed the departments' budget proposals and ensured that requests aligned with the City's fiscal policies and Strategic Plan.

**February - March 2022: Budget Development**
Based on information provided by management, Department of Finance staff began the development of the Proposed Budget. During the development of the budget, General Fund revenues were balanced with expenditures and adjustments were made to keep the budget in line with the City's fiscal policies and priorities.

**March - April 2022: Proposed Budget Finalized**
In March, General Fund expenditures and revenues were balanced, along with changes to the non-general funds and capital improvement projects, and the Fiscal Year 2023 Proposed Budget numbers were finalized. The budget document was then created during the month of March and the beginning of April. The Mayor released the Fiscal Year 2023 Proposed Budget to the public on April 15, 2022 in compliance with the City of San Diego Charter [Article VII, Section 69, Item (c)]. The Office of the Independent Budget Analyst (IBA) will review the Fiscal Year 2023 Proposed Budget and issue a report on April 29, 2022.
Budget Development Process

Budget Review

May 2022: City Council Budget Hearings

During the month of May, the City Council will hold a series of public budget hearings to obtain input from San Diego residents on spending priorities. Council members will use the information received at the hearings to develop the districts’ priorities and recommend changes to the Fiscal Year 2023 Proposed Budget.

May – June 2022: Mayor’s/IBA Recommended Revision Reports

On May 17, 2022, the Mayor’s May Revision to the Fiscal Year 2023 Proposed Budget will be released. In this report, the Mayor will recommend changes to the budget based on up-to-date policy-related issues and revised Fiscal Year 2022 third quarter revenue and expenditure projections. Following the release of the May Revision, on June 8, 2022, the IBA will issue a report of recommended City Council modifications to the Mayor's Fiscal Year 2023 Proposed Budget and May Revision.

Budget Adoption

May - June 2022: Adopted Budget

On May 19, 2022, the Budget Review Committee will review the Mayor’s May Revision and the Third Quarter Budget Monitoring Report. The final recommended modifications to the budget will be presented by the IBA and the City Council will adopt the budget on June 13, 2022. The Mayor’s veto period will begin.

June 2022: Adopted Budget Finalized

In June, the final changes to the Fiscal Year 2023 budget will be implemented. Once the changes are made, the Fiscal Year 2023 Adopted Budget will be completed. The Change Letter will be created to summarize the May Revision and Council Action changes to the Fiscal Year 2023 Proposed Budget by fund and department.

June 2022: Appropriation Ordinance

The Appropriation Ordinance will then be presented and adopted by the City Council, codifying the Fiscal Year 2023 Adopted Budget into law.
