Budget Equity Impact Statement

<p>Equity Highlights</p> <p><i>Examples from the current fiscal year.</i></p> <ul style="list-style-type: none"> In Fiscal Year 2024: Increased Campaign Law Training for Candidates and Campaign Staffs - Commission staff offered and provided additional live training sessions and outreach to those seeking elective office and those working on their campaigns. This training advances the goal of empowering all who wish to run for elective office and their campaign staffs, by providing the best possible education regarding the City's campaign laws. The Commission's Education Program helps those who are new to the political process, as well as seasoned campaign officials who need a "refresher" course to avoid violating the law. The training works hand-in-hand with the Commission's "24/7" technical legal advice line, which candidates and campaign staff can call to seek individual advice before taking actions.
