**Description:** This annual allocation provides for capital improvements at City facilities. Potential improvements include improvements to roofs, heating, ventilation, air-conditioning, elevator replacements, adjacent parking lots, expansions and new facilities.

**Justification:** Several City-owned facilities are in need of repair or major improvements. High-priority repairs and high-priority city improvements will be completed with this allocation. Funding for this annual allocation will ensure the facilities remain safe and operable.

**Operating Budget Impact:** None.

**Relationship to General and Community Plans:** This project is consistent with applicable community plans and is in conformance with the City's General Plan.

**Schedule:** Projects will be scheduled on a priority basis.

**Summary of Project Changes:** This annual is anticipated to receive \$964,500 in Infrastructure Funds, to address deferred maintenance needs at various facilities, which include roof and HVAC replacements, and complete rehabilitations. It is also anticipated to receive \$2 million in Refuse Disposal Funds to replace the roofing system, HVAC system, and additional energy upgrades at the Environmental Services Department Ridgehaven office building.
