ARTICLE II Purpose of Community Planning Board and General Provisions

- Section 1. The Peninsula Community Planning Board has been formed and recognized by the City Council to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to the Peninsula Community Planning Board community boundaries. The planning board also advises on other land use matters as requested by the City or other governmental agency as detailed in Council Policy 600-24, Article II: Purpose of Community Planning Groups and General Provisions.
- Section 2. In reviewing individual development projects, the Peninsula Community Planning Board should focus such review on conformance with the Land Development Code, and the adopted community plan and the General Plan. Preliminary comments on projects may be submitted to the City during the project review

process. Whenever possible, the formal planning board recommendation should be submitted no later than the end of the public review period offered by the draft environmental document. Upon receipt of the plans for projects with substantive revisions, updates, strikeout/underline, and/or involving a reissued environmental document, the planning board may choose to rehear the project, at a regular or special meeting, and may choose to provide a subsequent formal recommendation to the City.

- Section 3. The Peninsula Community Planning Board's failure to respond to the City's request for input on the preparation of, adoption of, implementation of, or amendment to, the General Plan or a community, precise, or specific plan, or failure to review and reply to the City in a timely manner on development projects shall result in the forfeiture of rights to represent the Peninsula community for these purposes. Such a determination resulting in the forfeiture of rights to represent the community for these purposes shall be made only by the City Council upon the recommendation of the Mayor's Office.
- Section 6. The Peninsula Community Planning Board operates under the authority of the Ralph M. Brown Act which requires that meetings of the planning board are open and accessible to the public. In addition, Council Policy 600-24 "Standard Operating Procedures and Responsibilities of Recognized Community Planning Groups" and these bylaws govern the operations of the planning board. Several provisions of these bylaws constitute Brown Act requirements as outlined in the Policy. Amendments to Council Policy 600-24 will apply to the Peninsula Community Planning Board, as well as to all other community planning boards, even if individual boards' bylaws are not required to be amended with parallel language.

In addition, the Administrative Guidelines provide explanations of the Policy's minimum standard operating procedures and responsibilities of this planning board. The latest version of *Robert's Rules of Order* is used when the Policy, the Administrative Guidelines, and these bylaws do not address an area of concern or interest.

Section 7. The Peninsula Community Planning Board may propose amendments to these bylaws by a two-thirds vote of the voting members of the planning board. Bylaw amendments are not valid until approved by the City.

ARTICLE III Community Planning Board Organizations

Section 1. The Peninsula Community Planning Board shall consist of 15 elected members. These members of the planning board shall constitute the officially recognized community planning board for the purpose of these bylaws and Council Policy 600-24.

Section 2. Council Policy 600-24 requires that elected members of the Peninsula Community Planning Board shall, to the extent possible, be representative of the various geographic sections of the community and diversified community interests.

The Peninsula Community Planning Board elected seats are filled by any Eligible Candidate identified below. There are no further restrictions on the distribution of seats among interests in the community.

Planning board members shall be elected by and from eligible members of the community. To be an eligible community member an individual must be at least 18 years of age, and shall be affiliated with the community as a:

- (1) property owner, who is an individual identified as the sole or partial owner of record, or their designee, of a real property (either developed or undeveloped), within the community planning area, or
- (2) resident, who is an individual whose primary address of residence is an address in the community planning area, or
- (3) local business person, who is a local business or not-for-profit owner, operator, or designee at a non-residential real property address in the community planning area; only one representative of a particular establishment may hold a seat on the community planning board at one time.

An eligible member of the community may become an Eligible Candidate by (a) attending one meeting of the Peninsula Community Planning Board's regular meetings occurring during the twelve month period prior to the March General Election, with such attendance acknowledged by the planning board chair or secretary or reflected in minutes, and (b)

submitting a completed application to the elections subcommittee.

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning board's criteria and formal action is taken by the planning board. However, the Peninsula Community Planning Board shall require proof of eligibility during elections.

Section 3. Members of the Peninsula Community Planning Board shall be elected to serve for fixed terms of 3 years with expiration dates during alternate years to provide continuity.

No person may serve on the planning board for more than nine consecutive years.

The nine year limit refers to total maximum consecutive years of service time, not to individual seats held.

After a one-year break in service as a planning board member, an individual who had served for nine consecutive years shall again be eligible for election to the planning board.

The planning board will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats the planning board may retain some members who have already served for nine consecutive years to continue on the planning board without a break in service. A member may serve in excess of nine years (as specified above) if that person is reelected to a remaining open seat by at least a two-thirds majority of the votes cast by eligible member of the community participating in the regular election.

The number of individuals on a planning board serving more than nine consecutive years shall in no case exceed twenty-five percent of the voting board membership.

The term of the member elected by a two-thirds vote serving beyond nine years shall count as time served beyond the required break in service as required by this Section. Future consecutive election of the member who has served beyond nine years is subject to the requirements of this Section. Refer to Council Policy 600-24, Article III, Section 4 for further clarification.

Section 4. A member of the Peninsula Community Planning Board must retain eligibility during the entire term of service.

Section 5. A member of the Peninsula Community Planning Board found to be out of compliance with the provisions of Council Policy 600-24 or the planning board's adopted bylaws risks loss of defense and indemnification [legal protection and

representation] pursuant to Ordinance No. O-19883 NS, and any future amendments thereto.

Section 6. Some provisions of these bylaws constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the Peninsula Community Planning Board who participates in a meeting of the planning board where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

ARTICLE IV Vacancies

Section 1. The Peninsula Community Planning Board shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning board's secretary reporting the third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning board's regular meetings.

A vacancy may also exist following a vote of the PCPB as described in Article III, Section 5 of Council Policy 600-24 related to ineligibility, or following conclusion of a member-removal process conducted under Article IX of the Policy, or due to adopted bylaws violations.

Section 2. Vacancies that may occur on the Peninsula Community Planning Board should be filled not later than 120 days following the date of the determination of the vacancy. The term of office of any member filling a vacancy shall be for the balance of the vacated term.

The Peninsula Community Planning Board shall move to fill vacancies at the time the vacancies are declared. Vacancies will have appropriate noticing in the local paper and on the PCPB website. Applicants for replacement seats will be subject to same qualification requirements as applicants for General Elections. Vacancies shall be filled by a vote cast by the seated Planning Board members. Such vote shall be in writing and the vote cast by each Board Member to select a replacement for a vacant seat will not be disclosed until the results of the election are announced. The results of the election for the replacement seat should be announced at the same meeting as that in which the vote was taken. Those seated shall fill the remaining term of the member they are replacing.

Two or more concurrent PCPB vacancies shall be filled by a vote of all eligible members of the community by secret written ballot.

Section 3. When the Peninsula Community Planning Board is unable to fill a vacancy within 120 days, as specified above, and the planning board has more than twelve members, a search for a new member should continue, however either the seat may remain vacant until the next planning board election, or these bylaws may be amended to permit decreased membership to a minimum of 12 members.

If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 12 elected planning board members in good standing, the planning board shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning board membership has not reached 12 members, the planning board will be deemed inactive until it has attained at least 12 members in good standing.

ARTICLE V Elections

Section 1. General elections of Peninsula Community Planning Board members shall be held during the month of March in accordance with the PCPB's adopted elections procedures found in Article VIII, Section 1(e) of these bylaws.

The Peninsula Community Planning Board's general elections shall be held annually.

The deadline to qualify for candidacy in the March general election shall be on or prior to the Candidate Forum noted below. The planning board's Election Subcommittee shall be established no later than January and shall initiate the search for eligible community members to become candidates. In February, the Election Subcommittee shall present to the planning board a complete list of interested candidates collected up to that point in time. Candidates may be added at the February meeting. A Candidate Forum shall be advertised and shall be held after the February noticed regular meeting and prior to the March Election. The Candidate Forum represents the last opportunity for new candidates to be declared eligible.

In order to be a candidate in the March election, an eligible member of the community [see Article III, Section 2] must have documented attendance at one of the Peninsula Community Planning Board's last 12 meetings prior to the February regular meeting preceding the election.

The Peninsula Community Planning Board will allow write-in candidates. If it is later determined that the write-in candidate is ineligible, any vote cast for an ineligible write-in candidate will be an invalid vote and will not be counted.

Section 2. The Peninsula Community Planning Board shall make a good faith effort to utilize means appropriate to publicize the planning board's eligibility requirements for candidacy and the upcoming elections.

In the election process, the planning board shall seek enough new candidates to exceed the number of seats open for election in order to allow those who have served for nine consecutive years to leave the board for at least one year.

The Peninsula Community Planning Board holds its annual election separate from, but on the same day and at the same location as, the regular board meeting in March, or at another date in March designated by the planning board.

The Peninsula Community Planning Board will require proof of identity of those eligible community members who are seeking to vote in the election [see Article VIII, Section 1(e) 6]. The planning board shall ensure that voting is only by recognized members of the community.

The ballot presented to eligible community members will clearly identify how many candidates can be selected and which candidates, if any, must receive a 2/3 majority of the vote due to service beyond nine consecutive years of service.

Section 3. Voting to elect new PCPB members shall be by secret written ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of "slates" of candidates is contrary to the intent of Council Policy 600-24 and is not allowed.

Section 4. The Peninsula Community Planning Board election becomes final after announcing the election results at the conclusion of the regular noticed planning board meeting. The Chair is responsible for preparing, certifying and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning board meeting.

Any challenge to the election results must be filed with the chair of the Elections Subcommittee in writing within 48 hours of the counting of the ballots in order to allow enough time to resolve the issue.

It is recognized that the officers of the planning board may oversee administrative business of the planning board, such as the assembling of the draft agenda, in preparation for public discussions. However, all substantive discussions about agenda items or possible board positions on agenda items shall occur at the noticed planning board meetings.

It is the duty of a planning board as a whole, and of each individual member, to refrain from conduct that is detrimental to the planning board or its purposes under Council Policy 600-24. Section 2. **(a) Meeting Procedures**

It shall be the duty of each member of the Peninsula Community Planning Board to attend all planning board meetings.

(i) **REGULAR AGENDA POSTING** - At least 72 hours before a regular meeting, the agenda containing a brief general description of each agenda item shall be posted. The brief general description of each agenda item need not exceed 20 words per item unless the item is complex. The agenda shall also provide notice of the date, time and location of the meeting. The agenda shall be posted in a place freely accessible to the general public and shall include information on how a request for accessible accommodation may be made.

The listing of the agenda item shall include the intended action of the planning board regarding that item [e.g., information item, action item].

The agenda shall be offered to the City for posting on the City's website and should be posted on the PCPB's website at least 72 hours in advance of the meeting.

(ii) **PUBLIC COMMENT**- Any interested member of the public may comment on agenda items during regular or special planning board meetings. In addition, each agenda for a regular planning board meeting shall allow for a public comment period at the beginning of the meeting for items not on the agenda but are within the scope of authority of the planning board. Planning board members may make brief announcements or reports to the planning board on their own activities under the public comment section of the agenda. The planning board may adopt time limits for public comment to ensure operational efficiencies.

(iii) ADJOURNMENTS AND CONTINUANCES – If the Peninsula Community Planning Board does not convene a regularly scheduled meeting, there shall be a copy of the "Notice of Adjournment" of the meeting posted on or near the door of the place where the adjourned meeting was to be held within 24 hours after the time the meeting was to be held.

If a meeting is adjourned because less than a quorum was present, a new regular meeting agenda must be prepared. If a meeting is adjourned because no members of the planning board were present, the subsequent meeting, if not a regular meeting, must be noticed as if a special meeting.

(iv) CONTINUED ITEMS - If an item is continued from a prior regular meeting to a subsequent meeting more than 5 days from the original meeting, a new agenda must be prepared as if a regular meeting; otherwise the original meeting agenda is adequate.

1. A subcommittee of the planning board has discussed the item at a noticed subcommittee meeting,
2. All interested members of the public were given an opportunity to address the subcommittee, and
3. The item has not substantially changed since the subcommittee's consideration.

No member of the public shall be required, as a condition of attendance at any meeting of the planning board, to register or provide any other information. Any attendance list or request for information shall clearly state that completion of such information is voluntary. No member of the public may be charged a fee for admittance.

(vii) DEVELOPMENT PROJECT REVIEW - The Peninsula Community Planning Board may not, as a condition of placing an item on the agenda, require applicants to submit additional information and materials beyond which the applicant has been required to submit as part of the City's project review application process.

When reviewing development projects, the planning board shall allow participation of affected property owners, residents and business establishments within proximity to the proposed development.

The planning board shall directly inform the project applicant or representative in advance each time that such review will take place and provide the applicant with an opportunity to present the project.

A two-thirds vote of the voting members of the PCPB is required to remove an elected community planning board member in accordance with Article IX.

Removing a member due to ineligibility in accordance with Article III, Section 2 requires a majority vote of the voting members of the PCPB for the purpose of ratifying the findings presented by the Secretary to the board.

Amendments to adopted bylaws require a two-thirds vote of the voting members of the PCPB.

A vote to approve a community plan update or a community plan amendment requires a majority vote of the voting members of the PCPB.

All other PCPB actions, including subcommittee votes, only require a simple majority of the voting members of the group in attendance when a quorum is present.

The Peninsula Community Planning Board's Chair may participate in discussions but does not vote except to make or break a tie.

The planning board shall not engage in, or allow, secret ballot or proxy voting on any agenda item. Other methods of absentee voting on agenda items, such as by telephone or by e-mail are also prohibited.

(xiii) DISORDERLY CONDUCT - In the event that any planning board meeting is willfully interrupted by a person or board of persons, so as to make the orderly conduct of the meeting infeasible, the planning board may first cause removal of the individual or individuals. If that is unsuccessful then the planning board may order the meeting room cleared

However, in accordance with the Brown Act, members of the Board who are not members of the subcommittee may attend a subcommittee meeting as a member of the audience to observe but may not participate verbally, or through gestures or facial expressions.

Non-members, who are duly appointed by a planning board to serve on a subcommittee, may be indemnified by the City in accordance with Ordinance No. O-19883 NS, and any future amendments thereto, provided they satisfy any and all requirements of the Administrative Guidelines.

A cost- recovery fee may be charged for the cost of providing this service.

Community input will be sought regarding all matters coming to the Board's attention.

The planning board will access all community resources and utilize all available media to promote community outreach programs to further education, awareness of its purpose and community contributions. It will strive for inclusion of diverse representation and input.

(b) Planning Board Composition

The following are the Peninsula Community Planning Board's procedures pursuant to Article III, Section 2 regarding planning board composition:

Composition of the planning board will be determined by general election. Members who resign or seats that become available through other means will be elected by a vote of the sitting planning board members to complete the term of the prior member. See Article III, Section 2 for eligibility for consideration to fill vacated seats.

(c) Conduct of Meetings

The following are the Peninsula Community Planning Board procedures regarding conduct of planning board meetings:

Meeting agendas will be noticed at least 72 hours prior to the meeting by public notice posted at a place freely accessible to members of the public and on the PCPB website. Public comment, normally three minutes per speaker, may be limited in respect of a full agenda, and may be reduced to no less than two minutes provided each speaker receives the same amount of time. It is to be expected that order and civil discourse will be maintained at all times. Persons who are disruptive, fail to follow the agenda and interrupt meeting progress will be asked to leave the room. If further disruption occurs Chair may declare the meeting adjourned. See Article VI, Section 2 (a) (xiii) Disorderly Conduct. Audience and public will have opportunity for input in all matters affecting community or projects that are presented. Projects brought by applicants will be considered in the Action Items immediately following Parliamentary Items and after Non-Agenda Public Comment in as much as possible.

Subcommittee Chairs and members will be recommended and appointed by vote of the Board. The majority of subcommittee members will be board members. Board membership on subcommittees is limited to less than a majority of non-vacant seats on the board to assure Brown Act compliance. Community members, especially those with expertise may be added to a subcommittee if there is a demonstrated need and when their participation contributes to a more effective subcommittee. The community member will provide a resume and be presented to the board for a vote. A prospective subcommittee member from the community then shall be seated by a majority vote of the board.

The Chair of each subcommittee will be responsible for a mission statement and goals which will be added to the PCPB website. The Chair of each subcommittee will be responsible for carrying out their specific mission, setting meetings, providing venues and for providing minutes of meetings all of which will be added to the PCPB website. Chairs of each subcommittee will keep the Peninsula Planning Board Chair noticed and apprised of all activities and the Chair will be an ex-officio member of all subcommittees.

All agendas to include Regular monthly meeting, Project Review meeting, Subcommittee meetings and Special meetings of the Peninsula Community Planning Board will be noticed (see Article VIII, Section 1(c)).

(d) Member and Planning Board Responsibilities

The following are the Peninsula Community Planning Board's

procedures regarding member and planning board responsibilities:

Planning Board positions may be represented to the City on planning issues that are not project review recommendations or are an appeal on a City decision by formal letter.

Bylaws amendments can be recommended by the ad hoc subcommittee for the purpose of developing an amendment. An amendment to the Bylaws will require a two thirds vote of the voting members of the PCPB prior to submission to the offices of the Mayor and City Attorney for review and approval. See Article II, Section 7.

Standard Operating Procedures may be developed by an ad hoc subcommittee and will be a stand-alone document attached to the Bylaws when completed. Standard Operating Procedures will be subject to change as needed.

Voluntary financial contributions may be accepted for specific purposes by community or Board members and will be acknowledged by letter from the Board.

ARTICLE IX Rights and Liabilities of Recognized Community Planning Boards

Section 1. Indemnification and Representation. The Peninsula Community Planning Board members have a right to representation by the City Attorney and a right to indemnification by the City under Ordinance O-19883 NS, and any future amendments thereto, if the claim or action against them resulted from their obligation to advise and assist the City and its agencies with land use matters as specified in Council Policy 600-24, Article II, Section 1; their conduct was in conformance with the Policy and these bylaws; and all findings specified in the ordinance can be made.

Section 2. Brown Act Remedies. The Peninsula Community Planning Board and its duly elected members may be subject to both Council Policy 600-24 violations as described in Section 3 below and penalties provided for in the Brown Act. The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning board, as well as the planning board itself, may be subject to civil remedies.

Under certain circumstances, individual planning board members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3. Council Policy 600-24 Violations and Remedies.

(a) Alleged Violations by a Member of the Peninsula Community Planning Board:

In cases of alleged violations of the Peninsula Community Planning Board bylaws or Council Policy 600-24 by a planning board member, the planning board may conduct an investigation consistent with the Administrative Guidelines and these bylaws.

A complaint that an individual member of a planning board violated one or more provisions of the planning board's bylaws or Council Policy 600-24 may be submitted to the planning board chair by any individual, including another planning board member. The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning board determines that the individual member has violated a provision of these bylaws or Council Policy 600-24, the planning board shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning board.

If corrective action or measures are not feasible, the planning board may remove a member by a two-thirds vote of the voting members of the community planning board. The vote to remove the board member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these bylaws.

If the planning board member found to be out of compliance with the provisions of these bylaws or Council Policy 600-24, the planning board risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS, and any future amendments thereto.

Investigation procedures for elected member violations are outlined below:

Any action by the Peninsula Community Planning Board to discipline or remove a member must occur at a scheduled planning board meeting and be advertised on the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

Documenting a violation:

- A complaint that a violation of bylaws of Council Policy 600-24 has occurred will be presented to the planning board chair. If the complaint is about the chair, it may be presented to any other officer of the planning board.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.
- The complaint should provide a citation of the bylaws or Council Policy 600-24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning board member, the chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The chair will confer with the planning board officers [exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator] regarding the complaint.
- The chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

Procedures for administering and acting on investigating a violation:

While the authority for this process rests with this planning board, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the chair, with assistance from the planning board officers, will meet and talk with the planning board member against whom the violation is alleged. The allegations will be presented and the planning board member shall be given opportunity for rebuttal.
- If the chair, with assistance from the planning board officers,

determines that no violation has actually occurred, the chair may record this in the written record of the complaint.

- If the chair, with assistance from the planning board officers, determines that a violation has occurred but the situation can be remedied either by action of the planning board or by the planning board member, then the chair will outline the necessary actions to achieve the remedy.
- If the chair, with assistance from the planning board officers, determines that the situation cannot be remedied and that the interests of the community and Peninsula Community Planning Board would best be served by the removal of the planning board member, then the chair shall set the matter for discussion at the next planning board meeting. The planning board member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning board discussion.

Presenting a violation to the planning board:

- The matter of removing a seated planning board member will be placed on the planning board's agenda as a potential action item. Supporting materials from the chair or from the offending planning board member will be made available to the elected planning board members prior to the meeting.
- The matter will be discussed at the planning board's regular meeting with opportunity given to the planning board member who committed the violation to present their case and/or rebut documentation gathered by the chair with the assistance of the planning board officers. The member may also request a continuance of the item to gather more information to present to the planning board.
- At the end of the discussion, the planning board may, by a 2/3 vote, choose to remove the member.

Recourse for expelled member:

- There is no appeal available to an elected planning board member removed by a 2/3 vote of the voting members of their recognized community planning board.
- The planning board member's seat shall be immediately declared vacant and subject to provisions of Article IV.

- The removal of a planning board member by a 2/3 vote of the voting members of their recognized community planning board will not prohibit the member from running for a planning board seat in future scheduled elections.

(b) Alleged Violations Against the Peninsula Community Planning Board as a Whole

In the case of an alleged violation of the planning board's bylaws or of Council Policy 600-24 by the planning board as a whole or multiple members of the planning board, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the planning board, determining the validity of the complaint, and seeking resolution of the issue or dispute. The Peninsula Community Planning Board will work with the City toward a solution and the planning board recognizes that, in accordance with Council Policy 600-24, the City may consult with the Community Planners Committee.

If a violation against the planning board as a whole is proven and there is a failure of the planning board to take corrective action, the planning board will forfeit its rights to represent its community as a community planning board recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated board's rights to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning board shall not forfeit its recognized status until there is an action by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning board is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS, and any future amendments thereto.
