

San Diego, Calif., June 14/35.....

TO THE HONORABLE, THE COUNCIL, SAN DIEGO, CALIF.

Gentlemen:

The undersigned respectfully petitions as follows:

We have for the past number of years maintained & kept up the pier located at the ft of Santa Clara place in Mission Beach, this is a public pier & used by from 500 to 2500 people each day, it is the only public swimming pier in Mission Bay. My present equipment is in bad shape and some new equipment is badly needed.

We need diving boards, new landing steps, & Paint the total cost would be about \$75⁰⁰. We would appreciate the help of the city in this matter, as it is purely a public accommodation.

Very truly
Charles W Wright
