

McGonigle Canyon Park Bulletin

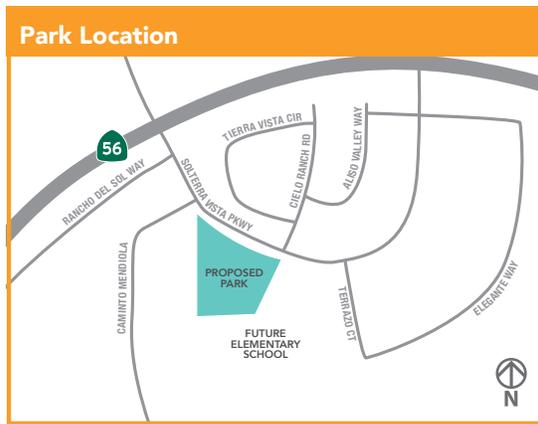

Help select the design for San Diego's newest neighborhood park!

This is the third meeting to ensure San Diego's newest neighborhood park meets the community's recreational needs. At the meeting, the Pacific Highlands Ranch Community Recreation Group is expected to take action on the draft park design, which reflects the feedback collected during the September and November meetings, and make a recommendation to the City of San Diego Park and Recreation Board for consideration.

The park design process is funded by the City of San Diego in partnership with Pardee Homes.

What is being proposed?

McGonigle Canyon Park is an approximately five-acre neighborhood park that is planned for the southeastern corner of Solterra Vista Parkway and Caminito Mendiola in the community of PHR. The new park will be located adjacent to the future elementary school site. The design process is subject to review by the PHR Community Recreation Group, which will incorporate input from the community.
