Councilmember Lorie Zapf *Lorie Zapf*

RE: Grant Opportunity for Linda Vista Skate Park Project

It has come to our attention that the California Department of Housing and Community Development (HCD) is about to release a Notice of Funding Availability for the third cycle of an annual grant program known as the Housing Related Parks Program.

We are requesting that this grant be applied to the Linda Vista Skate Park Project. The project is a community-driven project in which community activists have garnered the support of the Linda Vista Recreation Council, the Linda Vista Community Planning Group, civic and business organizations, the Tony Hawk Foundation, and hundreds of residents throughout the community. This project is an appropriate and worthy recipient of this particular grant, as the Linda Vista Community Park is surrounded by affordable housing and would directly serve the residents of that affordable housing. It is for these reasons that our offices are requesting that the 2013 Housing Related Parks grant be applied for the Linda Vista Skate Park Project.
