Suspicious Death in Midway District Determined To Be Homicide

San Diego – At 11:07 p.m. on May 4, 2020, San Diego Police Officers responded to a request for assistance from San Diego Fire-Rescue personnel at a motel in the 3800 block of Greenwood Street, in the Midway District. San Diego Fire-Rescue personnel had responded to that location on a medical aid call. As the medics were administering CPR, other people in the area were becoming disruptive and impeding their efforts. Unfortunately, the resuscitative efforts were not successful, and the woman was pronounced deceased at the scene.

As the medics were treating the woman, they noticed the condition of her body was inconsistent with the information they were being provided. Out of an abundance of caution, investigators from the San Diego Police Homicide Unit were called to the scene to handle the investigation.

An autopsy has determined the manner of death was homicide. In order to protect the integrity of the investigation, we are not releasing the cause of death at this time. Homicide investigators are still investigating the circumstances leading up to the woman's death.

The woman has been identified as 32 year-old Rosa Jaco of San Diego County.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
