Police Investigate Homicide in College West Neighborhood

San Diego – At 4:40 p.m. on June 29, 2020, San Diego Police Officers responded to a residence in the 4800 block of Collwood Boulevard regarding a deceased person inside. Family members had gone to check on the 53 year-old resident, whom they had not been able to get in contact with for two days. When they entered the residence, they found the woman deceased inside. The woman's 25 year-old son, who lived with her, was gone as well as the victim's vehicle. It appeared the woman suffered traumatic injuries and was the victim of a homicide.

Investigators from the San Diego Police Homicide Unit responded to the scene to conduct the investigation. Information provided by family members led to the 25 year-old son being located at an area hospital where he was receiving treatment for injuries he sustained to his hands. The son has been taken into custody and will be transported to headquarters for further processing as a possible suspect in the homicide.

The victim and her 25 year-old son have been identified, but their names are not being released until family members have had an opportunity to notify other members of their family.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
