Homicide Investigation in the Logan Heights Neighborhood

San Diego - On Saturday, August 17, 2019 at 12:50 a.m., the San Diego Police Department's Communication Center received a call of a shooting at 2700 Marcy Avenue. SDPD officers arrived to the location and found a Black male in his early 20's with gunshot wounds to the upper body. Officers administered medical aid until relieved by San Diego Fire Department personnel. The victim was transported to a local hospital where he succumbed to his injuries and was pronounced deceased.

San Diego Police Homicide Detectives were called to the scene to investigate the incident. It appears the victim was at the location attending a party. While at the party, the victim got into an altercation with an unknown Black male suspect. The suspect then shot the victim several times and fled. Homicide detectives will continue with their investigation to determine the identity of the suspect.

While investigating this incident, the department was notified of two males with non-life-threatening gunshot wounds who were at a local hospital. Officers were sent to the hospital and have contacted the males. It is unknown if they were also at this party and were involved in the altercation.

The victim's identity will not be released until the Medical Examiner confirms identification and family notifications are made.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
