

Our proposal is to have the Del Mar Mesa Neighborhood Park (currently under construction) renamed the "Elizabeth S. Rabbitt Neighborhood Park."

Who?: Elizabeth S. Rabbitt is the former CEO of Sharp Medical Group. She is one of the early pioneers of the Del Mar Mesa Community.

What? Renaming Del Mar Mesa Neighborhood Park to "Elizabeth S. Rabbitt Neighborhood Park"

Where?: The park is located at the corner of Del Vino Court and Little Mcgonigal Ranch Road. This is the top of Del Mar Mesa and is adjacent to the Duck Pond Development and the Del Mar Mesa Preserve.

Why?:

Elizabeth is one of the pioneers of the Del Mar Mesa Community. When she first moved to the community there were just six houses and only dirt roads....(homes now exceed 160 and yes, all the roads are paved) Prior to the development, Elizabeth had to haul in her own water and haul out her trash ever week. When the development of homes started in 2001 Elizabeth decided she could not change progress. She accepted her new neighbors with open arms. Her farm, Hooterville, is the central point of the Del Mar Mesa Community. Elizabeth epitomizes the meaning of living on "The Mesa". Love of family, animals and the preservation of this beautiful area we call home.

How?: This name change proposal has a great deal of support from the neighbors and friends of the Del Mar Mesa Community. Cost for signage and installation will be paid for by the neighbors in our community. Signed petitions will be produced at your next meeting showing this support.

Dan O'Rourke would like to show a brief (3 minute) video on Elizabeth and "Life on the Mesa. Thank you.
