

REPORT

THE CITY OF SAN DIEGO TO THE PARK AND RECREATION BOARD

DATE ISSUED: February 20, 2020

REPORT NO: 101

ATTENTION: Park and Recreation Board
Agenda of January 16, 2020 meeting

SUBJECT: Curfew Implementation at Mission Bay Athletic Area (McEvoy Fields).

SUMMARY

Issue – Should the Park and Recreation Board approve recommending that the San Diego City Council enact a nighttime curfew at Mission Bay Athletic Area (aka McEvoy Fields). If approved, the nighttime curfew would make it unlawful for any person to be on the grounds of Mission Bay Athletic Fields from 11:00 p.m. to 6:00 a.m. The San Diego City Council must amend the San Diego Municipal Code (§63.0120) in order to enact the nighttime curfew at this location.

Director's Recommendation – Staff recommends acceptance of the recommendations from the Pacific Beach Town Council as noted below for the proposed Mission Bay Athletic Area curfew.

Other Recommendations

- On February 5, 2020, the Community Parks I Area Committee unanimously approved to support a nighttime curfew from 11:00 p.m. – 6:00 a.m. at Mission Bay Athletic Area.
- On February 4, 2020, the Mission Bay Park Committee unanimously approved to support a nighttime curfew from 11:00 p.m. to 6:00 a.m. at Mission Bay Athletic Areas.
- On October 15, 2019, the Santa Clara Pacific Beach Community Recreation Group unanimously approved to support a nighttime curfew from 11:00 p.m. – 6:00 a.m. at Mission Bay Athletic Fields. (Attachment 1)
- On April 3, 2019, the Pacific Beach Town Council voted to approve a nighttime curfew from 11:00 p.m. – 6:00 a.m. at Mission Bay Athletic Fields. (Attachment 2)

Fiscal Impact – None.

Water and Energy Conservation Status – The proposed action would not have an impact on any water and energy conservation guidelines contained in Council Policy 200-14.

Environmental – The Planning Department has determined that this activity is not subject to CEQA pursuant to State CEQA Guidelines Section 15060(c)(2), as it would not result in any direct or indirect physical change in the environment. California Coastal Commission will need to approve.

BACKGROUND

Residents of the communities of Pacific Beach approached Department staff to enact a nighttime curfew at Mission Beach Athletic Area. The Pacific Beach Town Council acted to recommend a nighttime curfew at Mission Beach Athletic Area. The Mission Bay Park Committee took action to approve the proposed curfew at their February 4, 2020 meeting.

General Development Plan (GDP), which outlines uses for this park is provided in Attachment 3.

DISCUSSION

The reasons residents requested to impose a curfew at this park include illegal activities such as, gang activity, drug dealing, vandalism, and other activities as well as a loss of feeling safe while using the park. Crime mapping statistics show a significant level of illegal activity in the area surrounding this park. (Attachment 4)

Only park locations listed in San Diego Municipal Code §63.0120 are subject to a nighttime curfew. Currently, the curfew applies to the following parks: Children's Park, Gaslamp Square Park, Pantoja Park, the Children's Museum Park, Fault Line Park, Cortez Hill Park, Spruce Street Pedestrian Bridge, University Heights Open Space Park, North Park Community Park, Montclair Neighborhood Park, Cedar Ridge Mini Park, North Park Mini Park, and City Heights Square Mini Park. This proposal would add three additional sites to this list. Park property that is not specifically designated in the Municipal Code is not subjected to a nighttime curfew.

The curfew provides a means for the San Diego Police Department to remove patrons from these parks in the late hours to minimize illegal use of the parks.

The Pacific Beach Town Council and the Mission Bay Park Committee voted to recommend a nighttime curfew from 11:00p.m. – 6:00 a.m. at Mission Bay Athletic Area. The Santa Clara Pacific Beach Community Recreation Group and the Community Parks I Area Committee voted to support this proposal. The Park and Recreation Board is the next advisory group to consider this matter; if approved, the Department will bring the matter forward to the City Council for consideration. The application of a nighttime curfew is governed by the San Diego Municipal Code in Chapter 6: §63.0120 Public Works and Property, Public Improvement and Assessment Proceedings (Attachment 5). In addition, the Mission Bay Athletic Area curfew will need to be approved by the California Coastal Commission.

ALTERNATIVES

1. Do not approve a nighttime curfew at Mission Bay Athletic Area from 11:00 p.m. – 6:00 a.m.,
2. Approve a nighttime curfew at Mission Bay Athletic Area from 11:00 p.m. – 6:00 a.m.
3. Consider an alternate nighttime curfew with different hours of park closure.

Re: Fanuel Park Curfew

Dear Mr. Robinson:

Due to rampant illegal activity being observed by residents, the Pacific Beach community is seeking a curfew of 10:00 p.m. - 5:00 a.m. for Fanuel Street Park, located at 4000 Fanuel St. This park, commonly called "Felony" Park by local residents, is a hot spot for criminal activity including open drug dealing, intravenous drug usage, and chop shops for stolen bike disassembly. Needles have been found near the bathrooms and in the grass where children play. The current situation is an eminent public health and safety risk, not only for park-goers, but to the surrounding residents.

At our meeting on April 3rd, 2019, the PB Town Council board of directors voted unanimously to pursue a curfew for Fanuel Park. You will find this vote under Action Item 6-E of our PBTC board minutes attachment. A park curfew petition was subsequently circulated to local residents, and has gathered over 500 signatures to date.

As the advisory group with direct jurisdiction over Fanuel Park, we hope the Mission Bay Park Committee will vote for recommendation of this curfew, and that Fanuel Park can ultimately be added to San Diego Municipal Code Section **63.0120 Nighttime Curfew for Certain Public Parks**. We believe a curfew at this park would be an added enforcement tool for our SDPD Northern Division officers to keep Fanuel Park and the surrounding area safer for all.

Thank you for your consideration.

Respectfully,
