THE CITY OF SAN DIEGO M E M O R A N D U M

DATE: May 5, 2023

TO: Andy Field, Director, Parks and Recreation Department

FROM: Tyler Canales, District Manager, Opportunity Fund Evaluation Committee Chair

SUBJECT: Recommendations for Use of Opportunity Funds in FY 2024 Budget

The Opportunity Fund Evaluation Committee was established in April 2023 at the request of Deputy Director, Sarah Erazo, following the approval of Council Policy 700–48, Opportunity Fund Council Policy. The purpose of committee was to conduct an evaluation of the Recreation Center Fund (RCF) balances, Fiscal Year 2024 RCF budget proposals as well as the Fiscal Year 2024 Opportunity Fund (OF) proposals to provide a recommendation to the Director on which RCFs should be allocated OF budget for FY24.

The committee consisted of one representative from each division as follows:

Tyler Canales CPI - District Manager

Berenice Garcia Admin - Trainer

Victor Johnson DRP - Area Manager

Marissa O'Connor Golf - Golf Operations Assistant

Dianna Di' Giulio CPII - Account Administrative Aide II

Jennifer Canales Open Space - Recreation Center Director I

The committee met in April of 2023 to review the Opportunity Fund Council Policy, Objective Scoring Matrix and ActiveNet reports to verify the amount of funds available for allocation. Using the Objective Scoring Matrix, the committee identified rankings for each RCF based on three factors: RCF available balance, FY24 budget, and location of corresponding recreation center. The committee identified the top six sites in communities of concern eligible for FY2024 OFs with a target of providing each RCF a budget of \$84,000 for programs, events, and enhanced maintenance.

The Committee recommends the Opportunity Funds for FY2024 be allocated as follows:

Site name	Carry over Funds	Proposed FY24 Budget		OF Funds Allocated	FY24 Budget Outlook
Azalea	\$1,554	\$1,300	+	\$82,700	\$84,000
Cesar Solis	\$5,962	\$16	+	\$34,500	\$34,516*
Stockton	\$404	\$200	+	\$51,000	\$51,200*
Mountain View	\$19,569	\$3,300	+	\$80,700	\$84,000
Skyline Hills	\$21,120	\$7,600	+	\$76,400	\$197,640**
Penn Athletic Field	\$37,122	\$6,520	+	\$74,700	\$81,220
TOTAL	O.F. ALLOC	ATED FUNDS	,	\$400,000	

^{*}Cesar Solis and Stockton requested OF amounts less than \$84,000 due to operational restraints.

Cesar Solis is a newly developed park that will have a recreation center built in the future. The Recreation Center Fund covers this one site only which is utilized primary for adult and youth sports and special events. Most RCFs support programs, events and maintenance at a community park, recreation center and several neighborhood parks. Therefore, the evaluation committee recommending an allocation of Opportunity Funds for FY2024 at a lower amount than \$84,000 to support the programmatic capacity of the location which includes enhanced programming, additional special events and field maintenance.

Stockton Recreation Center is currently operating at reduced hours due to staff shortages. The recreation center consists of two (2) small multipurpose rooms and a kitchen. This location also has a unique outdoor facility where the playground and the multipurpose field are under a Joint Use agreement with San Diego Unified School District which limits the City use of these facilities to non-school use hours only. There are two (2) local mini parks in the area as well, but it would be difficult to active these sites with programming or special events due to the limited available space. All these factors were taken into consideration when allocated funds for this site. Therefore, the allocated Opportunity Funds for FY2024 were reduced to cover the programming, special events and maintenance capacities that would be achievable in FY2024.

Penn Athletic Field was allocated the remaining Opportunity Funds available bringing their budget to \$74,700. This location will be just shy of meeting the \$84,000 baseline that was set as the benchmark, but still will offer an adequate budget to support programs, special events and enhanced maintenance.

All sites will undergo a review process each fiscal year, and allocated funds will be adjusted accordingly to accommodate the funding changes at each site and community needs.

Should you have any questions, please contact Opportunity Fund Evaluation Committee Chair Tyler Canales at (619) 235–1133 or TCanales@sandiego.gov.

^{**}Skyline Hills has a larger balance of \$197, 640 due to a grant specific to the Parks After Dark (PAD) program. The amount of \$113,640 can only be used for PAD.

COUNCIL POLICY

SUBJECT: PARKS AND RECREATION DEPARTMENT OPPORTUNITY

FUND POLICY

POLICY NO.: 700-48 EFFECTIVE DATE: TBD

BACKGROUND:

In response to the 2021 Parks Master Plan and the 2021 Audit of Equity in Recreation Programming, the Parks and Recreation Department (Department) developed a user fee, the *Opportunity Fund Fee*, as part of the 2022 Department Fee Schedule update. Per Council Resolution R-313898, a special fund, the Opportunity Fund (Fund), was established to collect the *Opportunity Fund Fees* (Fees). The Fund supports *Equitable Programs* and minor improvement projects in communities of concern, as defined by the 2019 Climate Equity Report.

PURPOSE:

Establish a transparent policy for the Department's use of the Fund that increases *Equitable Programs* and projects and formalizes procedures for evaluation and distribution of the Fees.

DEFINITIONS:

Equitable Programs – Recreation programs that benefit all individuals and communities.

Objective Scoring System – A data driven tool that scores a set collection of data by means of a formula so that different scorers will arrive at the same score for the same set of data.

Opportunity Fund Fees – Fees derived from permitted activities in parks such as events, facility use by sports leagues, room and pool rentals, and ongoing recreation-based business operations by commercial and non-profit entities.

Recreation Center Fund – A special revenue fund that collects revenue from programs and permits at a recreation center and within its service area. Funds are budgeted annually with community input and are used to support recreation programs, events, and services in the Recreation Service Area.

Recreation Service Area – A defined geographic area of parks, recreation centers, and pools that provide services to the surrounding community

Special Fund – A non-general fund account that receives revenue for specifically identified purposes.

CP-700-48

CITY OF SAN DIEGO, CALIFORNIA COUNCIL POLICY

POLICY:

- I. The City Council wishes to establish a special fund to collect Fees that the Mayor or designee may allocate and disburse in accordance with this policy for Department programs, equipment, supplies, projects, or other purposes beneficial to the Department.
 - A. Appropriation of the Fees shall comply with Council Policy 000-02.
 - B. Fees shall be distributed throughout the Department as follows:
 - 1. 100% of the projected available Fees will be allocated on an annual basis to support *Equitable Programs* and services in the Department.
 - 2. Each fiscal year distribution of Fees is determined according to the *Objective Scoring System*, or at the discretion of the Director of the Parks and Recreation Department (Director). Fees will be distributed into that year's approved *Recreation Center Funds* during the first quarter of the subsequent fiscal year.
 - 3. Distribution of Fees may be reassessed as conditions change, or at the discretion of the Director.
 - 4. The Director will provide an annual report to Council on the disbursement and use of the Fees.
- II. Guidelines for distribution of the Fund:
 - A. Each Recreation Center Director (RCD), with community input, will identify funding needs for the recreation center and neighborhood parks. Funding needs will be based on multiple factors, including analysis of data for individual recreation center priorities and geographic service areas. Based on results of the analysis, the RCD will submit a preliminary budget proposal to the Director, or designated appointing authority, for use of the Fees.
 - B. The Department will create an Evaluation Committee responsible for evaluating all Fund budget proposals using an *Objective Scoring System*. The Evaluation Committee will provide recommendations regarding Fund allocations to the Parks and Recreation Board for public comment and review and then to the Director or designated appointing authority.
 - C. To maintain and further develop the *Objective Scoring System*, the Department will update current and historical information for all *Recreation Service Areas* and may consider information from:
