Greetings Friends and Supporters of City of San Diego Parks and Recreation!

You are receiving this email because you either serve as a member of a City parks-related Community Group or Board or have expressed interest in keeping up to date with SD Parks and Recreation activities and information.

In an effort to increase transparency and improve communication, the Parks and Recreation Department has created a department-wide email sign up webpage to allow the public to stay up to date on parks related meetings, events, and other activities via Constant Contact.

Please keep checking back regularly to the Parks and Recreation email sign up page at the button below or at the [City's Park and Recreation webpage](#) as we'll be adding additional email lists that may be of interest to you.

If you are currently receiving Parks Board agendas and information, there is no need to sign up again and no action is required. Your contact information has already been added to the Constant Contact database. If you wish to sign up for additional email lists, please sign up on the [Parks and Recreation Email Sign Up page](#) below.

If you no longer wish to be a part of the Constant Contact database, simply click the "Unsubscribe" link towards the bottom of this email and you will be removed.

Thank you for your interest in City of San Diego Parks and Recreation!
